About

Adagio Pro, that sounds like music, elegance and classic quality. That's exactly how Adagio Pro carries the message to the reader. Adagio Pro is a rather formal script with very beautiful, generous and swashy uppercase characters that was redesigned, digitized, completed and expanded as a OpenType Pro font by the profonts type studio.
Adagio Pro comes with about 800 characters covering the complete Latin glyph set for West and East including Baltic and Turkish. Additionally, there is a large selection of ligatures and alternates to make this beautiful script design a perfect font for OTF-savvy applications. Adagio Pro is a very distinguished, elegant and versatile script font well-suited for anything in the area of classical music, art, ballet etc. Also, it is good for certificates, reports, documents and alike.
